

2023 /24 - High School Live Broadcast Timetable

Period	Semester 1	Semester 2
Period 1 9:00 AM to 10:00 AM	ELA A10 Math Workplace 20 Physical Science 20 Math Pre-Calculus 30	ELA B10 Math Pre-Calculus 20 Physics 30 Calculus 30
Period 2 10:00 AM to 11:00 AM	Science 10 ELA 20 Math Foundations 20 Chemistry 30	Environmental Science 20 Math Workplace 20 Health Science 20 Calculus 30
Period 3 11:00 AM to NOON	Math Foundations 20 Biology 30 Math Foundations 30 Physics 30	Math Workplace 10 Chemistry 30 Physics 30 History 30
Period 4 1:00 PM to 2:00 PM	History 10 Health Science 20 Math Foundations 30 Math Pre-Calculus 30	Physical Science 20 Math Foundations 20 Chemistry 30 Math Foundations 30
Period 5 2:10 PM to 3:10 PM	Math Foundations 10 Environmental Science 20 Math Pre-Calculus 20 ELA A30	Science 10 Biology 30 Math Workplace 30 ELA B30

Live broadcast courses are delivered online, in real-time. A teacher instructs students through an online platform, and the course is broadcasted to registered students. Just like in a face-to-face class, students are required to attend the live broadcast class daily and if they anticipate missing it, the student needs to make arrangements with the teacher, prior to class.
