How To Add / Register Additional Students with the Sask DLC

The following information will provide step by step instructions on how to add / register additional students with the Sask DLC.

1. When you are done submitting your first application, you will receive a Thank You for registering page. On that page, you will see a button that says **submit another application**. Click on that button and you will be redirected to the home page.

2. To add / register additional students, click on the Options down arrow and click Apply Again.

3. You will be redirected to a new application where you can enter the information for another student. You can use this process after every registration.

Once the application(s) has been approved, you will be notified that course selection can begin.
